

Maximum computing power in minimal space

HP recommends Windows Vista® Business.

HP Z600 Workstation

The HP Z600 packs eight-core compute and visualization power into a small, quiet package—for the ideal workstation when every inch, watt and decibel make a difference.

Innovation that transforms the way you work

The HP Z600's sleek new industrial design—brushed aluminum, tool-less access chassis, integrated handles and visually cable-less engineering—creates new standards for ease of service, lowered acoustics and energy efficiency; enhance your work area with HP's quietest workstation, designed to fit where space is at a premium; minimize power and cooling costs with ENERGY STAR® qualified systems featuring 85% efficient power supplies and an HP-developed energy-saving feature that helps lower energy consumption in off mode; see, share and show your work across the world with the new HP SkyRoom collaboration solution, which combines real-time 3D graphics sharing and video conferencing.

Performance to help you accomplish more every minute

The HP Z600 is engineered to optimize the way processor, memory, graphics, OS and software technology work together to deliver massive, whole-system computational power; tackle bigger problems faster and process more tasks and threads in parallel with the new Intel® QuickPath Technology architecture and new Intel® Xeon® processors¹ with integrated memory controllers; get maximum I/O bandwidth and expandability from a range of Gen2 PCI Express slots and optical drives and up to 5 storage bays; choose the simplified HP Installer Kit for Linux installation or a breadth of Microsoft® Windows® selections; drive up to 8 displays with new dual graphics support and the latest NVIDIA and ATI graphics cards.

Reliable and legendary confidence-inspiring quality

Close relationships with ISVs help ensure full certification for your applications; in-depth testing and quality assurance keep you productively up-and-running; HP Performance Tuning Framework helps ease configuration and updates and maximize a range of applications; comprehensive, lifetime HP Total Care options provide personal attention, convenient tools and reliable service.
